Last Updated: September 25, 2009

## CALL NUMBER GUIDE

The D'Angelo Law Library uses the Library of Congress classification system for non-law books and most law materials. Many law materials, including law journals, state statutes, law reports, older treatises, and most foreign law, are classified in the Benyon K system. Library of Congress call numbers for law materials begin with XXK, to distinguish them from call numbers under the Benyon system which also used K.

A1-HX	.4th Floor
